## Directions

**PLEASE NOTE! THE SUN SETS AROUND 8:30 BUT IT CAN GET VERY FOGGY ALONG THE COAST AROUND 5 PM, AND IT'S A WINDY ROAD. STAY SAFE.**

- Directions from San Francisco airport: <http://goo.gl/maps/FoM4v>
- Follow the signs for I-280 North towards San Francisco. You'll get there via I-380 West for the first few miles (or kilometers).
- Around Daly City, take highway 1 as it branches off of I-280. It becomes 19th Ave as it enters San Francisco.
- Stay straight on 19th Ave as it passes through Golden Gate Park and eventually merges back with highway 101 and crosses the Golden Gate Bridge. It's free leaving, but you'll need \$6 for the way back.
- Drive 40 miles, just past Petaluma, and take the Railroad Ave exit.
- Turn left onto W Railroad Ave, then right onto Stony Point Road. In a mile, turn left onto Roblar Road. Drive 6 miles to the end and then turn right onto Valley Ford Road.
- In a few miles Valley Ford Road will merge with highway 1. Follow it for about 60 miles as it squiggles its way up the coast to Gualala.
- Mar Vista is a couple minutes north of Gualala proper, right on the side of the highway.
